SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Honorable Sir:

Pursuant to Section 1.97 of Title 37 of the Code of Federal Regulations, record is hereby made of information, which the United States Patent and Trademark Office may wish to consider during examination of the above-entitled application. No representation is made or intended that a prior art search was conducted, or that no better information than that listed is available.

As each item of information contained in this IDS is being submitted not more than three months after being cited in the International Search Report in the counterpart foreign application

and prior to a first Office Action on the merits, it is submitted that no prior art consideration fee is required.

Each of the documents is listed in the Form PTO/SB/08A. The Form PTO/SB/08A and a copy of the foreign document FR 2 728 008 A are enclosed herewith. It is requested that these be fully considered and made of record in this case.

As full English translations of French patent document FR 2 728 008 A was not readily available, a copy of the English Abstract is attached to the document.

However, an English language copy of the International Search Report (PCT/ISA/220) dated August 12, 2004 is attached hereto as Exhibit A, and serves as a statement of relevance for FR 2 728 008.

Respectfully submitted,

Stephen G. Kimmet
